DISCUSSION EXAMINATION 2A

The Creed—The First Article

Directions to Sponsors or Parents: Discuss each question with your catechumen. When you are satisfied that you and your catechumen understand what a particular question is asking, you or he may write down what he has said in response to the question. The language of the catechism and class discussions will help you and your catechumen form the answers to these questions. Let your catechumen “practice” with you in his own words what he might say in answer to these questions. Feel free to discuss these questions with your catechumen and others in your family before writing anything down. By discussing these questions together and speaking the answers to you, your catechumen will begin to learn how to confess the faith with his mouth.

1. Who is the only true God? (Be complete in your answer.)

2. Why did God create the heavens and the earth?

3. What does it mean that man is made in “the image of God”?

4. How did man fall into sin?

5. What is the first promise of salvation?
